SECRETARY, FOOD & CIVIL SUPPLIES, 27 OCT 1947

To

Secretary to Government,
Food and Civil Supplies Department,
Bangalore.

SIR,

Subject:— Raid on Kysambally Food Depot on 30.9.47 night.

I have the honour to state that the Deputy Commissioner Kolar District reports in his letter No.FS.856/47-8 dated 16.10.47 (a copy of which is herein enclosed for information) that on the night of 30.9.47 some 50 to 60 unknown persons raided the Depot at about 2 A.M., threatened the persons sleeping there and removed foodgrains valued at about Rs.250/- by breaking open the lock of the Depot. The matter is reported to have been referred to the police for investigation.

I have the honour to be,
Sir,
Your most obedient servant,

K. Guru Dutt

Director of Food Supplies.

Letter No.FS.856/47-8 dated 16th Octr.47 from the Deputy Commissioner, Kolar to the Director of Food Supplies in Mysore, Bangalore.

I have the honour to forward herewith a copy of report No.FC.332 dated 2.10.47 from the Amildar, Bowringpet Taluk regarding the alleged raid on the Kysamballi Food Depot in his Taluk by about 50 to 60 unknown persons on the evening of 30th September 1947 and the removal of rice and other commodities as detailed in the report valued at about Rs.230/- and to state that the matter has been referred to the police for necessary action. The result of the police investigation will be reported in due course.

Copy of the report No.FS.332 dated 2nd Octr.47 from the Amildar, Bowringpet to the Deputy Commissioner, Kolar.

--

I beg to state that a report by the Depot Clerk of Kysamball depot was received at Bowringpet at 5 p.m. on 30.9.47 stating that the depot was raided by about 50 to 60 persons and that rice, sugar, turdhal and empty gunnies as indicated in the margin had been removed. This report was conveyed to me to Championreefs by 'phone.

Rice.	3 pallas 90 seers.
Sugar.	6½ maunds.
Turdhal.	53¼ seers.
Empty gunnies	50 to 60.

2. Next morning (i.e. 1.10.47) myself and special Sheristedar visited Kysamballi and made local enquiries and inspected the depot. The depot is situated inside the village to the north of Rajpet and K.G.F.road. It is in midst of dwelling houses opposite to the village chavadi and village post office. There is a petty shop in the premises of the depot separated by a wall. I enquired the thoti Muniga alias Nasiga who was on night kaval duty at the depot premises and the shop keeper, Muniappa who was sleeping that night inside the shop. It is ascertained that three Muslims, petty cloth merchants of Taylur village in Mulbagal taluk, who had gone to Thukal shandy were also sleeping near the depot premises.

3. At about two in early hours of the morning about 50 to 60 persons some of them dressed in white clothes and wearing white caps came to the depot and having overpowered the thoti and the muslims there, enquired whether there were any policemen or the depot staff closeby. Having assured themselves that there were none they broke open the lock of the depot, lighted their torches, went inside the depot removed the foodstuff stated above.

4. The raiders are said to have been armed with clubs, knives, a revolver and country made torches. A heap of stones were also found in the depot premises. The shopkeeper, the thoti and the muslims were warned that they would be done to death, if they raised any alarm and that they would be left unhurt provided they held their tongue. After removing these foodgrains in small bundles they have left the village and gone in the road leading to Rajpet, Madras Presidency. Rice and sugar were found split on that road.

5. The raiders have written,"JAI HIND" in English and Jai in the tamil on the eastern inside the wall of the depot. The object of the raiders was to loot the depot and set fire to it and to kill the police and the depot staff if found. They seem to have given up the idea of setting fire to the depot, on knowning that the building belonged to a private person and that fire would spread to the neighbouring housed. The total value of the food grains lost is about Rs.230/-

6. I got removed the entire stock found in the depot immediately, to Robertsonpet and Nethrangala depots. Arrangements have been made for the issue of the food grains to the ration card holders of Kyasamballi at Robertson Pet Depot as a temporary measure. The V.R.Dhalipalu, Mr.Venkataramana Reddy was not present in the village when visited. He had left for Kolar in the car.

7. Sunderpalya, a roadside village on the Bangalore road, is also a vulnerable place being situated at a distance of six miles from Kolar. We found a small quantity of food grains at Sunderpalya, the rest was removed to Kolar depot. Arrangements have been made to issue only the required quantities of food grains until conditions return to normal.
